

Dear NOW Community,

You already know that five founding members of NOW -- Ray Bernor, Hans de Bruijn, Mikael Fortelius, Sevket Sen and Lars Werdelin have been awarded NOW Honorary Membership last year. Now the award statues have been manufactured. They are modelled after the NOW logo, which is a female hipparion. Each statue is slightly different. I'm attaching a picture of them.

To celebrate Honorary Memberships and see each other, you are most welcome to tune in to an online award ceremony on March 1 in the afternoon in Europe, morning in the Americas and late evening in Asia. The starting time is as follows:

15:00 GMT

17:00 Finland

16:00 the Netherlands/France

10:00 New York

23:00 Beijing
